

# PACKAGING DAYS 2025

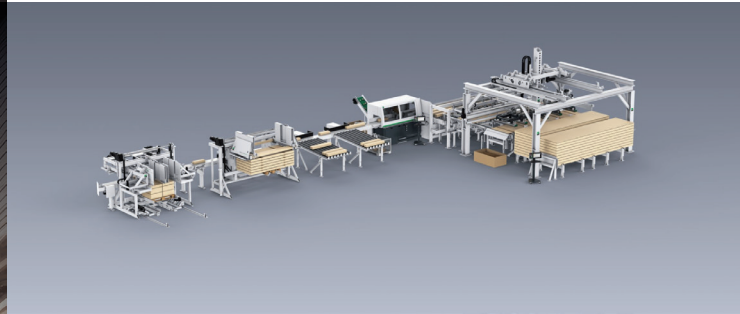

FOCUS IN CUTTING.

FROM **OCTOBER 7–8, 2025**

AT WEINIG IN ILLERTISSEN.

## HIGHLIGHT: EXCLUSIVE PRODUCTION INSIGHT WITH OUR CUSTOMER

A special highlight of this year's Packaging Days is the tour and production insight at one of our customers in the packaging industry.

**The tour is possible twice a day by bus transfer:  
from 10:30 am – 12 am and from 3:30 pm – 5 pm**

Take the chance to gain new impressions and experience a fully automatic cutting line live in production.

Participation requires reservation – only limited spots available.

Once you have received your ticket, we will send you the registration link for the tour.

## GUEST LECTURES

**Gerd Ebner**  
Editor-in-chief Holzkurier

Current sales situation in the packaging industry

Availability of raw materials for packaging wood

**Marcus Kirschner**  
Managing Director of HPE

Industry overview (facts and figures)  
EU Packaging Regulation (PPWR)

## YOUR INVITATION TO THE PACKAGING DAYS

At WEINIG in Illertissen, we'll demonstrate live how to optimize your wood packaging and pallet production efficiently and sustainably – even in the face of skilled labor shortages and rising raw material costs.

Look forward to over 20 running machines, digital solutions, hands-on demonstrations, top guest exhibitors, and exclusive industry insights – all in one place.

Expert talks by industry leaders – including HPE Managing Director Marcus Kirschner – and live demonstrations will provide exciting insights into digital processes and modern cutting techniques.

An evening get-together featuring Swabian-Bavarian specialties will round off the event – the perfect opportunity to network with peers and manufacturers.

Get informed. Join us. Stay ahead.  
We look forward to welcoming you!

Your WEINIG Team
